patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

INFORMATION DISCLOSURE STATEMENT

The Examiner's attention is directed to the following items which may be relevant to the examination. Copies of each of the published documents are attached as well as a completed form USPTO-1449. The Examiner is requested to ignore any extraneous markings that may be found on such items. The listing of any item herein is not intended as an admission that that item legally qualifies as "prior art."

U.S. Patent 4,315,826, Schlicht et al., February 16, 1982

U.S. Patent 5,595,964, Bardasz, January 21, 1997

European Patent Publication EP 0 609 623 A, August 10, 1994,

CORRECTION TO EARLIER FORM 1449

The Undersigned wishes to correct a typographical error in the form 1449 submitted on February 15, 2002. The sixth item was incorrectly listed as US Patent 4,258,822. The correct number, 4,285,822, was listed in the accompanying cover letter, and the inventor, date, class, subclass, and filing date were correctly listed on the form 1449 (copy of original attached). Accordingly, it is requested that this typographical error be corrected. A new, separate form 1449 is attached with this item correctly entered. An additional copy of US 4,285,222 is attached for the Examiner's use, if desired. The Undersigned regrets any inconvenience that this error may have caused.

Any required fees or any deficiency or overpayment in fees should be charged or credited to deposit account 12-2275 (The Lubrizol Corporation).

Respectfully submitted,
